*Dear Friends,*

It is an exciting time to be on the Board of Directors of the MCC heading into its 70th year of operation. Founded as a result of a shared vision by community members to provide a place for life enriching moments, that vision remains relevant all these decades later. It is remarkable to think of the foresight our founders had in providing this beautiful location to serve as the backdrop of our most precious moments.

These pages include photos of a small sampling of events that took place at the Community Center in 2017. It includes the many partners that we've worked with making it a true community-based organization. It includes a listing of you, our supporters, that make it possible to keep the building and programs running year in and year out. And a tribute to friends we lost this year.

As you know, our community center is not one funded or organized by government or taxpayers' dollars. It is up to all of us to assure that the MCC continues to serve the community. Thank you for all that you do to support it.

It truly takes a village.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe'.

Joseph Litterio, President

## STATEMENT OF FINANCES

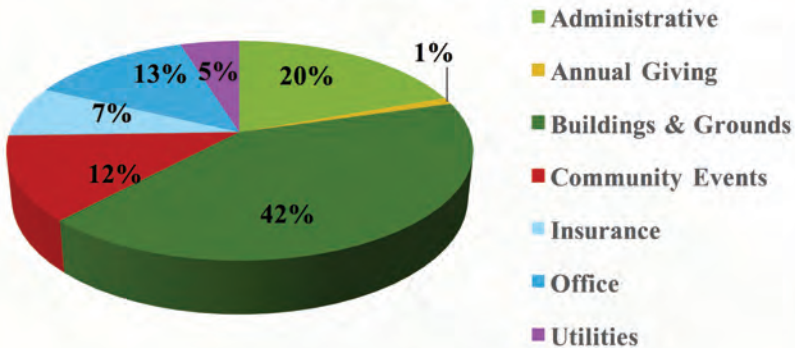

---

The Middleburg Community Center is not a government funded entity. It is a non-profit organization funded and organized solely by citizens in the community like you. A dedicated all-volunteer Board of Directors governs the Center, and nearly one-third of the budget is raised through annual giving. The Community Center simply would not be possible without the generosity of the community it serves.

## TRIBUTE

---

The Middleburg Community Center said goodbye to two dear friends and former Board members in 2017. Our community is better for having known these two men. Their legacy lives on in the faces of visitors that come through these doors both new and returning. It is a credit to those who have come before us that we have the gift of the Community Center today.

**C. OLIVER "OLLIE" ISELIN, III**  
served on the Board of Directors at the Community Center from 1973-1977. He was a lifelong supporter of the Center.

**MR. RICHARD KIRK**  
served on the Board of Directors as Treasurer from 2005-2008.  
He was a staple at the MCC until the end, popping in to say  
hello whenever he could.
